# Celebrity's Australia & New Zealand.

No one does the land down under with such over-the-top style.

Celebrity is returning to Australia and New Zealand for the 2011/2012 season. And while traveling to these incredible destinations is, in itself, enough to make your heart swoon - we didn't stop there. We wanted to include a few extra take-your-breath-away experiences to your cruise. So we added itineraries to the French Polynesian islands, where exotic is elevated to a whole new level. You can take the Tranz Alpine Express and glide through the breathtaking Southern Alps in Christchurch, New Zealand. Be whisked away on an air-conditioned catamaran to explore the Great Barrier Reef of Australia. And when an island like Bora Bora calls your name, stop and explore its brilliantly blue lagoons and black and white sand beaches. We'll have a cold martini and a Thai Herbal Poultice Massage waiting for you upon your return.
